Our Trinity Ministry Plan

On Sunday, June 25, our voters met to discuss and ratify the Trinity ministry plan (budget) for the next fiscal year. Every year our elected and appointed lay leaders on the boards work through their area of the budget and make decisions about the estimated expenses to carry out their areas of ministry. Much thought and prayer go into these discussions. On behalf of our entire congregation, the voters passed a budget totaling \$729,589. Most of the ministry plan (approximately 98%) is covered in four areas. They are as follows:

- 1. Trinity-St. Luke's Lutheran School** (\$231,325 or 31.7% of the budget) – We support the Christian education of children in God's Word. They grow closer to their Savior and are prepared for lives of serving him.
- 2. Executive area** (\$196,615 or 26.9% of the budget) – We support synod with our Congregational Mission Offering, contribute to the ministry of Lakeside Lutheran High School with our commitment and continue paying down our debt.
- 3. Elders area** (\$196,115 or 26.8% of the budget) – We support our two pastors and the church secretary.
- 4. Trustees area** (\$92,962 or 12.7% of the budget) – We support the church janitor and maintain two buildings and properties (the church and the TSL Western Avenue campus).

We pass the budget as an act of faith. Hardly any of the dollars are on hand, but are supplied throughout the year as we together contribute to the Lord's work, in which we all share. We trust that our gracious Savior will continue to touch our hearts and minds with his Gospel, so that we are assured even more of his undeserved love toward us, and compelled to respond with love for him and for the mission he has committed to us. We take to heart again this lovely expression of what Jesus in his undeserved love has done for us: "You know the grace of our Lord Jesus Christ, that though he was rich, yet for your sakes he became poor, so that you through his poverty might become rich" (2 Corinthians 8:9). May he continue showing our dear congregation his undeserved love!

Serving Jesus and you,

Pastor Brett Brauer

Women in Service

The regular Women in Service meetings have ended for the summer. The group enjoyed a luncheon at Two Sisters restaurant along with several called workers as our guests.

Meetings, held on the second Thursdays of the month, will resume on Thursday, September 14 at 1 pm on the conference room.

This year will mark the 100th anniversary of a Ladies Aid/ Women in Service group. Can you imagine how many hot dishes and pans of brownies have been served over the past one hundred years? Many faithful women from 1917

to the present have gladly served on the altar, flower and funeral, and other committees and activities as needed.

Times have changed. Women work outside the home while taking care of their families. Many cannot attend our monthly meetings but every women at Trinity is considered a member of WIS. The work is carried out and the church benefits from the work of the Women in Service group.

Neighborhood Movie Night

The Board for Evangelism will be hosting the second annual movie night on Friday, July 28 at 6 pm at the TSL Western Avenue gym. Join us for games, snacks and a fun movie. Invite your friends!

Pebbles from the ROC

ROC *“Rejoice always, pray continually, give thanks in all circumstances; for this is God’s will for you in Christ Jesus.” (1 Thessalonians 5:16-18)* One night at our Watertown Recreation & Outreach Center (THE ROC) for Youth we were explaining to the teens how blessed we are to have THE ROC as, even though it is free for the teens to attend, THE ROC is expensive to operate. We told the teens that the building was purchased and remodeled for over \$200,000 and THE ROC costs about \$85,000 each year to operate. Eric, a teen, asked where the money comes from. We explained how God’s unlimited and unconditional love in Christ our Savior moves and motivates the hearts of people to give generously. The teens were so amazed and led to thankfulness that they asked if we could pass on their gratitude, to God, and to all of you. From Eric then and all the ROC teens, “THANK YOU!”

The annual ROC rummage/bake sale will be held at the TSL (Trinity/St. Luke’s) gym on Western Avenue on 7/20

and 21 from 8 - 5 and on 7/22 from 8 - 12. Receiving will be on 7/16 from 12 - 5, 7/17 & 7/18 from 8 - 5. Note: There will be no receiving on Wednesday 7/19. Note some of the donated items will be set aside to be priced or sell on EBay. Please consider volunteering for helping during receiving, sale time or for help 7/19 starting right after the sale for pack up. Help is also needed for moving tables on Friday 7/14 and also possibly on 7/15 a.m. Any questions, please contact Ruth Uttech (261-6772), Pam Erdman (261-9674) or Joyce Zwieg (261-1573)

FUTURE ROC EVENTS: Please volunteer to help. Thanks!

Thurs.-Sat., July 20, 21, 22, 2017 – ROC Rummage Sale at TSL Western Avenue Gym

Sat., July 29, 2017, (new date) serving 10-5 - Brat Fry at Pick 'N Save

Saturday, August 26, 2017, serving 10-3 - Glenn’s Brat Stand

Teens' Corner

On May 30, eleven Trinity teens graduated from TSL. Four plan to go to Luther Prep, five have plans to attend Lakeside, and two will attend area public schools.

We are looking forward to welcoming five incoming seventh graders to teen group this fall.

A fellowship outing took place on June 21. Five people from Trinity joined other area teens to spend the day at Six Flags Great America.

Plans for a trip to the creation science museum are officially postponed for this year.

All teens are invited to join the VBS staff. Teen leaders are needed to take the groups of kids for area to area. Contact Pastor Yahnke if interested. This would be a perfect opportunity for those students in need of volunteer hours for their high schools' requirements.

Teen volunteers are also needed at the Neighborhood Movie Night on Friday, July 28 at 6pm.

Traveling This Summer

Getting away for vacation during the summer is great. As you travel, look for a WELS church to visit on Sunday. Not only do you have the opportunity to worship, you also can also enjoy the fellowship of other WELS members and their churches. To find a WELS church near your vacation spot go to the WELS website, www.wels.net, and click on "Find a Church/School" button at the top of the page.

And we will be looking forward to seeing you back here at Trinity.

Financial Status

Thanks be to God for the gifts given for the work of the church!

In order to give a clearer picture of our financial status we will be reporting the weekly and monthly totals of offerings for the unified budget.

Weekly offering needed to support the ministry plan: \$13,750

Monthly offering needed to support the ministry plan: \$59,584

Offerings received the week of May 7	\$ 9,780.78
Offerings received the week of May 14	\$ 8,210.00
Offerings received the week of May 21	\$ 8,456.60
Offerings received the week of May 28	\$ 9,282.75
Offerings received through Simply Giving in May	\$ 6,492.50
Offerings received through Thrivent	\$ 267.00

Total Offerings received in the month of February for support of the ministry plan **\$ 42,489.63**

Year to date 100th Anniversary Debt Reduction—\$ 50,362

Year to date 100th Anniversary Pakistan Sunday School Fund—\$ 12,850

Treasurer's Report

As of the end of May, total operating income is \$622,523 or 87% of the annual budget. Total expenses are \$644,530 or 90% of the budget. Revenue and expenses are both expected to be 92% after eleven months. The income is behind for the year of \$22,007 for the amount of expenditures.

As of the end of May, current assets (cash and stocks) totaled \$99,208, comprised of \$50,317 in checking, \$48,934 in the money market account. The Thrivent mortgage balance decreased to \$391,903, while member loans decreased to \$365,859.

Meeting Our Neighbors

What do you think of when the pastor says "Let's canvass our neighborhood"? Many of us think, "No not me," "I can't do that," or "What if people yell at me!"

These are common responses, but with training and support, some of the apprehension can be alleviated with proper training.

The Board for Evangelism is planning on canvassing the neighborhood around the church on Saturday, July 15. We will meet at Trinity/St. Luke's School Western Avenue multipurpose room at 10:30. Following a training session led by Pastor Yahnke, we will have lunch and then got out in pairs to canvass.

SonWest Roundup

Mark your calendars all you cowboys and cowgirls! The SonWest Roundup Vacation Bible School will be held from July 31 through August 4 from 9 until noon for children ages 3 through six grade. Join us for Bible stories, songs, crafts, games, and snacks.

You can register online at <http://tinyurl.com/trinityvbsregister> or use the registration form found in the bulletin or Fireside Room.

The VBS staff has a wish list of items needed for us to have a successful VBS. Some items will need to be purchased and some items will be borrowed. Check out our display in the Fireside Room and pick an item. Money donations will also be accepted to help defray the cost of the program.

Summer News from TSL

While students are busy relaxing and enjoying their summer, work continues by the teachers and principal as we prepare for the upcoming school year.

Since the last newsletter much has taken place. Mrs. Aubrey Hayes submitted her resignation as our 3K and 4K teacher after nine years at TSL. She and the Hayes family will be moving to Appleton where Dr. Hayes has accepted a position at a clinic in that community. Mrs. Hayes will very much be missed! Her cheerful presence greeted students and parents every morning. We pray the Lord's blessings on their family and transition to Appleton.

Accordingly, St. Luke's extended a divine call to Mrs. Nicole Trebesch in early June. Mrs. Trebesch is a 2010 graduate of Martin Lutheran College and served at Calvary Lutheran School in Dallas, Texas, for three years before moving to Washington State where she served on the staff of Light of Life Lutheran Preschool in Convington, WA. Mrs. Trebesch is married to Prof. Nick Trebesch who has accepted the call to serve as mathematics teacher at Luther Preparatory School. They are the parents of a fourteen month-old son. Currently the family is in the process of moving to Watertown. We pray the Lord's guidance and direction as the Holy Spirit leads Mrs. Trebesch to a decision.

On the day Mrs. Hayes shared her news with TSL, Mrs. Kim Meschke, who has served as our Administrative Assistant for the past twelve years, gave her notice as she moves to a new job opportunity. Mrs. Meschke worked at the Western Avenue office taking care of many aspects of the school finances especially family and student accounts. We thank her for her work and wish her the Lord's blessings in her new endeavor.

As a result of Mrs. Meschke's resignation the Joint Board has reviewed and revised job descriptions and is currently in the process of hiring an Office Manager. Based at the Western Avenue campus office this individual will again be working with school finances. Interested applicants can obtain a position description from the principal. We hope to hire for this position in the near future.

A number of the teachers this summer are pursuing professional growth through the taking of credit classes or attending conferences and webinars. These professional growth opportunities keep our teachers current with educational concepts and practices that will be used in the classroom.

Under the direction of Mr. Birkholz as vice-principal, a crew of people has been working on cleaning the Western Avenue campus and scrubbing and waxing floors. The Western Avenue campus will soon be done, and the crew will move to the Clark Street campus. The results are amazing! Students and teachers will be greeted with shiny floors and a clean building when they return in August.

Last year the Watertown Unified School District adopted a resolution changing the dismissal time for the public elementary schools during the upcoming school year to allow for teacher collaboration at their elementary level. That program continues for the upcoming school year resulting in the need to further tweak our Wednesday dismissal times. Due to busing provided by the district TSL must follow this schedule. While dismissal times will remain the same at both campuses on Mondays, Tuesdays, Thursdays, and Fridays, dismissal time on Wednesdays will be at 2:10 p.m. at the Western Avenue campus and 2:15 p.m. at the Clark Street campus. Beginning times for the school day will remain the same as last year with the school day beginning at 7:55 a.m. at the Clark Street campus and 8:00 a.m. at the Western Avenue campus each school day.

Early Childhood Ministry Planning

As part of the Special Study Committees' work last spring and summer the Growth Committee identified an expanded early childhood education (ECE) program as an avenue to pursue. To that end a committee of Michele Wegner, Aubrey Hayes, Jim Moeller, Rich Parkhurst (St. Luke's) and Stove Strucely (Trinity) have been meeting to look at expansion options.

Some may wonder why we should consider expanding the ECE program. There is a great need for preschool and early childhood education and child care in the Watertown community. As a part of our study a Percept report for the 53094 and 53098 zip codes was purchased. This report looks at ministry trends, needs, and opportunities. Two of the greatest needs identified for these zip codes are day care services and parenting training programs. Both needs are higher in the Watertown zip codes than the national averages; both indicate an opportunity of the types of services our expanded ECM program could provide.

Most importantly, our ECE program is an opportunity to share the Gospel. An expanded ECE program allows even greater opportunity to share the Gospel. The Percept report indicates that there is a good percentage of people in the Watertown zip codes who do not have a church home and/or religion to which they belong.

In order to receive more input from our congregational members, families, and other interested individuals two types of surveys are being prepared. One survey will be for small focus groups to hear directly from families with children ages 0-5 on their needs for child care and early childhood education. Another survey being prepared is to be completed by all segments of our supporting congregations. This survey will be available both electronically and hard copy. Our hope is to have I-pads or tablets available after church services so individuals can quickly complete the survey without taking a great deal of their time. This survey will ask questions to determine the level of support and financial commitment on the part of congregational membership as we move forward with plans.

In advance we thank you for your input on these surveys and focus groups. We will begin asking for your participation in the month of August as we continue planning for the future of our early child ministry. Please join us in asking that the Lord would bless our efforts!

The Years Following the Dedication

Even though the new church was dedicated and ready for use, the activities of Trinity Lutheran Church continued. There were decisions to be made and work to be planned as the congregation continued to share the Gospel in Watertown under Pastor Timmel's direction.

The picture was taken on Dedication Day perhaps at the morning service. An over-flow crowd was present at this service as well as the other festival services that day given the number of people in the balcony and the entrance way. Note the lighting in the church; the current chandeliers were not added until several years later.

The new church building was complete. And with the new building came some changes. With a larger worship facility the congregation could resume having just one service every Sunday. The service was held at 10:30 am during the school year and at 9:00 am during the summer months. During the school year Sunday School was held in the spacious church basement at 9:15 am.

No time was wasted in putting the building to use. Just a few days after the church dedication the twenty-fifth anniversary of Miss Hertha Sievert in the teaching ministry was observed. A gathering was held at 8:00 pm on the evening of December 13 for the congregation to greet Miss Sievert and thank her for her ministry at Trinity.

Even though the building was dedicated and in use, there were a few odds-and-ends that needed to be completed and, as a result, some decisions had to be made. It was decided at a congregational meeting in January, 1954, that pre-service music would be introduced for each service. The teachers were asked to provide ten minutes of music on the new pipe organ prior to the service. This motion would indicate that this had not been the custom in the former Church Home. With the new Wicks organ the organists had a chance to show the congregation what the organ could do as well as provide appropriate music before the service.

At the same meeting the Building Committee was instructed to investigate the possibility of installing kneeling pads and determine the cost of kneeling pads for the church. The Building Committee went so far as to have one set of kneeling pads installed in one of the pews. Individuals and families were encouraged to try the kneeling pad out. Ultimately kneeling pads were not installed. However, the sample kneeling pad was never removed and can still be found in the nave on the pulpit side of the church the second pew from the front, the left half of the pew.

Also investigated at this time was the insurance coverage. The new church building contained massive windows that were, at the time of dedication, filled with an opaque white glass. Members were concerned about possible vandalism that might take place resulting in window breakage. However, when it was discovered that vandalism insurance did not cover the church windows, it was decided not to include vandalism protection in the insurance coverage.

There was a need to resume janitorial services. The church committee contacted August Schrappe and asked him to consider serving in this position. When he agreed to do this and was hired, it was decided that he be paid \$70.00 a month for his services.

It did not take long for questions to arise about the efficiency of the heating system. By the end of the first year in the new building the church council asked Albert Schlueter, Alfred Hackbarth, and W. Hartwig to study the church's heating system. Notations in the church records regarding the adequacies or inadequacies of the heating system would be repeated a number of times in the church council and voters' meeting minutes for years to come.

By the beginning of 1955 the Building Committee asked that the committee be disbanded. The committee felt their work was done. The motion to disband the committee was adopted, followed by a rising vote of thanks to the committee for their work over many years.

Before the Building Committee disbanded, it prepared and presented a final statement on the cost of the new church as well as some outstanding contracts and money borrowed.

General Contract	\$261,751.19
Plumbing, Heating, & Ventilation	\$30,861.50
Electrical	\$8,792.05
	<u>\$301,404.74</u>
Misc. expenses including architect's fees	\$24,297.85
Total cost of the church	\$325,702.59
Pews and church furniture	\$9,347.50
Altar	\$1,835.00
Altar furnishings	\$968.66
Organ	\$13,098.28
Grand Total	\$350,952.03

Also included in the report, but not listed in the totals listed above, were expenses totaling \$3,427.17 for checks, printing, interest on personal notes, 250 chairs, and fifteen 8 foot tables. \$16,397.31 was the amount needed to still pay the contracts for plumbing, heating, ventilation, and electrical.

Money borrowed as indicated in the report totaled \$159,300.00. \$50,000 had been borrowed from the Bank of Watertown, \$60,000 from the Wisconsin Synod, and \$42,300 in personal notes for the building construction. Another \$7,000 of personal notes had been obtained to help defray the cost of the new organ.

During this time the School Committee was busy meeting with the St. Mark's School Board members to discuss the contract between the two congregations. In early 1955 Trinity was ready to vote on the new "Articles of Agreement". This agreement described the representation of each congregation on St. Mark's School Board, the financial responsibilities of each congregation in regard to the school, the process for determining which congregation would call teachers and how the salaries were to be determined, and what items were to be included under operational expenses.

The "Articles of Agreement" were ratified by both congregations with Pastor Timmel and Paul Eickmann signing the agreement for Trinity, and Merle Zastrow and Lester Lange signing for St. Mark's. All was decided, signed, and sealed on March 3, 1955. Interestingly, these "Articles of Agreement" would serve as the model for a future agreement between Trinity and St. Luke's congregations in the early 1980s when a joint school was initiated between these two congregations. The result is today's Trinity-St. Luke's Lutheran School.

Let freedom

This uplifting phrase is frequently heard in speeches, essays, and songs. How do Christians properly understand, “Let freedom ring”? First, we recognize our dual citizenship. Although we are Americans, we are also citizens of heaven. One citizenship does not negate the other. Rather, they are complementary. We glorify God by serving our earthly kingdom. We obey its laws, pay our taxes, and serve as elected officials or in the military as we “**honor, serve and obey**” (*Explanation of the 4th Commandment*) those in authority. Yet, as members of God’s eternal Kingdom, we expectantly wait for its fulfillment knowing that God controls the nations to his glory. While on earth, government provides stability and protection for us to live as Christians and worship God. This twofold arrangement produces freedom: freedom—as American citizens—to pursue our earthly goals in service to God, and freedom—as citizens of heaven’s Kingdom—to live in God’s grace. Now, we live in earthly freedom to praise and serve God in time. In eternity, we will be free of sin to praise and serve him forever. Paul describes this dichotomy, “**But now that you have been set free from sin..., the benefit you reap leads to holiness, and the result is eternal life**” (Romans 6:22).

When we consider “let freedom ring” this way, we know and believe that we have the best of futures—both now on earth and eternally in heaven.

Indeed, **let freedom ring!**

5 questions GC faculty

“Five Questions with the Faculty” is a light-hearted look at the teaching staff at Lakeside Lutheran High School. This edition features Mr. Matt Doering, who joined the faculty in 2002. He teaches U.S. History, Government and Financial Literacy. He is the defensive coordinator for varsity football and head coach for varsity softball. In addition, he is the Social Studies Department Chair and serves on the Faculty Technology Committee. Here are some other things you may—or may not—know about Matt Doering:

He and his wife, Jill, are members at St. Paul, Lake Mills. They have two daughters Cassie (‘14) and Becca (‘16) both studying at MLC. Son Kyle will be a sophomore at Lakeside this fall.

What is your favorite thing to do on a Saturday? Deer hunting, officiating basketball, and watching some great old Westerns! *When you’re at your fave restaurant, where are you & what do you order?*

El Mariachi in downtown Lake Mills for their Burrito Campechano or Huevos Rancheros.

What is your favorite movie or book of all time?

Movie: A tie between *A Few Good Men* or *The Cowboys*

Non-biblical book: *UNCommon*

What’s one of your most humorous moments at LLHS?

It was a Friday night varsity football game. We needed to get some different players into the game. I was running down the sideline to get the kids I needed out of an offensive huddle on the sidelines and tried to stop quickly. The grass was wet and I went cartoon-like feet in the air and landed flat on my back.

What’s one of the most heartwarming moments of your time at LLHS?

It happens every year! To see the kids you’ve worked very closely with in a class or activity graduate and thank you for being a part of it. GETS ME EVERY TIME!
